Novice/Encourage (N/E) Entry ~ \$7.00

The encourage and novice classes will be held concurrently. Should a dog be entered in both classes, the score from their one run will count towards both classes.

They may win two encourage classes before they must proceed to novice status and they may compete with dogs which have won trials at a higher level. Encourage competitors will be allowed one cross without being disqualified.

A final will be held for the novice class, consisting of the top four scoring dogs from the first round. The encourage trial will not have a final.

Improver (I) Entry ~ \$7.00 Open (O) Entry ~ \$10.00

The Improver and Open classes will be held concurrently. Should a dog be entered in both classes, the score from their one run will count towards both classes.

A combined final will be held consisting of the top six scoring dogs entered in the Open class and the top four scoring dogs entered in the Improver class, from the first round. Should a dog qualify for both finals, they will have one run and their score will count towards both classes.
