Let me know if you require me to purchase a \$50.00 three-day Exhibitors Pass for the dog handlers. I will buy the lot and the EPFD will invoice us. Then you can do a transfer to SAWSDA. I will hand them out on Monday night at the show grounds. Others will need to purchase their tickets online if they want to go into the Field Day site with the competitors. Google Eyre Peninsula Field Days.

We are allowed off the site with our vehicles after we have finished competing for the day. Leave quietly and carefully and close the gate after you please. Obviously no driving around the Field Day Site.

The Trial will be on the North side of the Field Days site.

From the town - Turn left before you get to the sheep sale yards, there will be a Dogpro sign at the turn off, then another where you turn right into the Field Days site to the parking area next to the arena.

The first sale yard holding cyclone pen is dedicated to sheep dogs, please don't go to the next holding pens. You're welcome to go into the sale yards to walk your dogs.

Water tap/hose available at the dog exercise yard.

At the Show Grounds - The north end, on the other side of the old Pony Club Shed is a reasonable area to run dogs. Anywhere that isn't used for caravans or mowed should be fine. - Please don't run them on the Golf Course.
